

CovenantCare at Home is...

- An award-winning, non-profit, licensed Home Health agency. It provides Medicare Home Health and Personal Assistance care...at home.
- Affiliated with Covenant Retirement Communities, which are among the ministries of the national Covenant Church.
- The **preferred** Home Health and Personal Assistance Care organization in the Covenant Church's family of services. It is grounded in the Church's century-old tradition of health care outreach, community, and service.
- Medicare-certified and licensed to provide skilled Home Health and personal assistance care to residents, in their homes. The agency provides services throughout communities and in the homes of individuals who live in their own homes as well as those who live in residential retirement communities.
- Recognized as one of 2008's top 25% Medicare-certified home health care agencies in the country for its quality performance and satisfaction outcomes (as measured by Home Health Compare).
